RE: United States of America V. Anthony Pellicano

Dear Judge Fischer

I, Heidi Gregg and my family are victims of Anthony Pellicano and the others who have been convicted. Please Sir, these men should be sent to prison for a long long time.

My late partner of 27 years, a man I loved and father of our two sons Max and Sam Russo. My late partner Aaron Russo was in a business dispute with Adam Sender who admitted at the trial to hiring Anthony Pellicano at the trial. The criminal trial revealed that my

Family was wire tapped for nearly a year by Pellicano, hired by Adam Sender, a wealthy man. Sender paid Pellicano \$500,000.00 for his criminal services. He & my family's confidential records were run by rogue police officers.

Anthony Pellicano offered to kill Aaron Russo, my best friend, my man and father of our children. He offered this to Adam Sender. On the tape of Pellicano and sender played at the trial, Pellicano states: "I could basically authorize him to have him murdered on his way back from Las Vegas... have someone follow him back, drive him off the road and bury his body in the desert." Sir you can only imagine how I felt hearing this? and my sons?

Thousands of phone calls were recorded intimate, private, business calls. My sons phone were also recorded. Mr. Sender hired Pellicano at the request of Bertram

Fields, at Greenberg Glusker Fields Laman and Taehntinger LLC who said he was "Very Effective" and "USED UNORTHODOX METHODS". Sender testified that an attorney at the firm, David Moriarty, was directly involved in the criminal conduct. This was a concerted effort by powerful people to prevail by illegal conduct. Justice was not served. These defendants and those lawyers were not honorable in court. They Cheated.

During this period of time, Aaron Russo was seriously ill with bladder cancer. Aaron Sender, Anthony Pellicano and Bertram Fields take the quality of Aaron Russo's life substantially worse by these wrongdoers and the knowledge that these three men and the other men they hired worked together to criminally injure our family.

Sadly, Aaron Russo did not live to see these criminals brought to justice. He never got his fair day in court. Please see to it that Anthony Pellicano's others like him ~~learn~~ his conduct is intolerable.

Yours Very Truly
Heidi Gress
